

Why Rent?

- Why buy furniture for your rented apartment when your booked apartment is due for possession soon?
- Your stay in the current city is temporary. Should you buy new furniture and bear the hassle of moving them to another city in the future?
- You are going on an assignment overseas in a few months. Should you buy furniture now only to discard them later?
- You like to change furniture every couple of years. Why buy in that case?

Instead, rent with us – premium quality furniture at affordable prices.

FAQ

- **Which cities do you cover today?**
 - At present we cover only Bengaluru city.
